Dear Parent / Carer,

As a requirement of the Skills Challenge Qualification pupils are required to complete in total four separate Challenges. In order to fully complete the Enterprise & Individual Challenge I will be running a Raise a Grade session on a Tuesday after school: 3 – 4pm for pupils to be given the opportunity to raise their overall grade.

Your son / daughter would benefit greatly from attending the suggested Raise a Grade session in order to reach their full potential in this qualification. If the following dates are not suitable, please ask your son / daughter to contact me to arrange a more suitable day and time.

**Sessions will commence:**

- Tuesday 8<sup>th</sup> March
- Tuesday 15<sup>th</sup> March
- Tuesday 22<sup>nd</sup> March
- Tuesday 29<sup>th</sup> March

Many thanks in advance,

*Mrs. C. Lane*
